# WOOLINA and the no birds

## Animation

Animation

Woolina is a young sheep who dreams of flying, but in her world, only birds can fly airplanes. Even though her father and others doubt her, Woolina does not give up. She and her friends are inspired by her favorite hero, Super Owl, and decide to follow their dreams. They work hard, face many challenges, and try to join a flight school. Their goal is to take part in an exciting race that could change their lives forever.

## Animated Series

Animation, Educational, Entertainment, kids

In the Forest of Thousand Trees, many little animals live in pretty houses built in tree trunks. These playful friends sometimes make mistakes, get into fights, or annoy each other. But when they see their errors, they say sorry and start playing together again. Each story shows the small ups and downs of their daily life, teaching lessons about friendship, kindness, and understanding. Through fun adventures and gentle lessons, the series helps children learn how to get along and enjoy time with friends and family.

## Animated Series

Animation

In a cute animal world, a little sheep named Baba'ee lives with her family. Each episode shows a small problem or question in her daily life. Baba'ee and her sister try to solve it by themselves, but they often ask the grown-ups for help. Sometimes friends like Ziba, Malous, Hidi, Misha, and Hazel join them in finding solutions. The series teaches teamwork, curiosity, and kind behavior. Through these gentle adventures, children learn how to work together, solve problems, and understand others.

## Animation

Adventure, Animation, History, Thriller

The Return is a historical story set in the old city of Najran in Yemen, about 100 years before Islam. The animated film follows Haran, a young man who faces drama, love, and sadness on his journey. He meets danger, makes hard choices, and learns about life and himself. Haran's story shows that hope, courage, and love can guide a person, even in the toughest times. The film shares history in a way that is easy to understand and emotionally moving.

## Animated Series

Animation

Roby and Ruby are two playful best friends who explore a bright and imaginative world together. Each day brings a small adventure that can be funny, surprising, or a little challenging. They sometimes make mistakes but quickly learn by helping each other, solving problems, and staying creative. Even when things go wrong, they turn the moment into something fun. With sweet moments, silly misunderstandings, and big smiles, their stories highlight friendship, kindness, and curiosity, encouraging children to see the world with joy and imagination.

# WOOLINA SERIES

## Animated Series

Adventure, Comedy

In this series, children join the Flying School team and go on missions to help villagers and solve small problems in their community. Each episode teaches them useful skills, practical knowledge, and good values that help them grow. After finishing a mission, they earn a special badge to show their progress. As they collect more badges, they move closer to their big dream. When all badges are earned, the team is ready for an exciting and long-awaited journey into space.
